

Before the  
FEDERAL COMMUNICATIONS COMMISSION  
In response to: (Amendment of Part 97 of the Commission's ) RM-11306

Rules Governing the Amateur Radio Services

Comments Supporting RM-11306

By

Reiner Schick KD5MBA

I am an active Amateur radio operator, and ARRL member,  
I am here to fully support the ARRL Petition, RM-11306, due to Part 97  
restrictions which are now outdated and currently restrict advanced  
communications technology development.
